

## OUR COMPANY PROFILE

**UNITE+** Consulting GmbH is an owner-managed IT services company with headquarters in Cologne, Germany. For over 10 years our customers have turned to us as a competent and reliable partner for their projects in a variety of sectors including banking, industry, insurance, trade, telecommunications, information technology and federal agencies. Our core business comprises custom and complex IT projects based on innovative, leading-edge technologies. With our focus on WEB engineering, application development and system integration, we design, develop and implement company portals, online shop systems and database applications.

In a dynamic market, we aim to develop ourselves continuously and expand our team with targeted recruiting. Take this opportunity now to be involved in the growth and success of an innovative company.

**For our location in Cologne we are looking for individuals to fill the following position as soon as possible:**

## IT Consultant (m/f/d)

This position will give you the opportunity to apply your potential as a team player and your experience in custom IT projects both for our customers and on their premises. The environment will foster your development in an atmosphere of curiosity and keen interest in innovative technologies.

## YOUR TASKS

- Responsibility for tasks in challenging projects to implement company portals and custom solutions
- Development of software based on current Java platforms and JavaScript Frameworks of major manufacturers such as IBM and various Open Source projects
- Specialist and technical design planning, project and quality management
- Presentation, introduction and commissioning of complex software solutions for our customers

## OUR REQUIREMENTS

- Degree in computer science, business information technology or comparable qualifications
- Good knowledge of Java and web technologies
- Curiosity and interest in innovative technologies
- Ability to work, think and act independently and responsibly
- Analytical skills
- Excellent communication and teamwork abilities
- Mobility and willingness to travel

## THE PLUS SIDE AT UNITE+

At **UNITE+** you will work in a cohesive team environment. To support the development of our employees' potential, we offer targeted training measures and the regular sharing of experience among the members of our experienced and creative team. Employee benefits, development opportunities and competitive remuneration are a matter of course for us. An open communication culture and strong team spirit are the basis for our mutual success.
